Mantle of the Expert

THE UNIVERSITY OF WAIKATO
Te Whare Wānanga o Waikato

Centre for Continuing Education
University of Waikato Pathways College

Mantle of the Expert is an exciting way of teaching children in the 21st century. It is a drama based inquiry learning approach used in an increasing number of schools locally, nationally and internationally.

This information evening will be led by local teachers who are using the approach and a university researcher who has explored the impacts of Mantle of the Expert in classrooms.

The event offers the opportunity to experience Mantle of the Expert in action, talk to practitioners and researchers and discover where to go to learn more.

Date: 15th March 2012
Time: 5.30 – 8.00pm
Venue: Education leadership centre, Faculty of Education
Fee: $5 (refreshments available)
