### *Melinda Webber*

#### Keynote Blurb

*Melinda was a co-principal investigator on the research project, "Ka Awatea" – a case study of Maori student success in Rotorua. Melinda will share themes that emerged from the investigation and how these contribute to the success of Maori students. Further, her key note will share how this strengths-based research has influenced approaches to teaching and learning that is relevant to all.*

*Associate Professor Melinda Webber is the current Director of The Starpath Project. She spent four years working as a researcher on The Starpath Project from 2011-2014 identifying and addressing the barriers that prevent participation and success in degree-level education especially for Maori, Pacific, and other students from low socio-economic communities.*

- A fantastic day to explore your excitement of Literacy. This year we are exceptionally fortunate to have secured the skills of these highly motivating keynote speakers who will share with us about changing ideas in literacy and being passionate about what we do.
- In between our keynotes, we will have a choice of 2 workshops for you to enjoy run by your peers. You will be challenged and stimulated about your classroom practice and have a couple of great takeaway points to implement in your class.
- We will have a large range of educational traders also present on the day, a great time for your literacy teams to be looking at resources together.

**As always, a time for great food and time with your colleagues!**
